

YUKON WEST SOLUTIONS

AN AZACHOROK INCORPORATED SUBSIDIARY

We are of the Central Yup'ik people of the Lower Yukon River. Mountain Village is located in Western Alaska approximately 450 miles northwest of Anchorage.

MISSION

We believe in creating a better tomorrow for our shareholders and community through economic and social opportunities.

PARTNERS

We partner with strong suppliers of high-end antennae systems and building supplies that are innovative and sustainable while allowing rapid build times.

The advantages of working with Yukon West Solutions

As an ANC 8(a) we may claim the past performance of predecessor companies and key personnel who have relevant experience, or subcontractors that will perform major or critical aspects of the requirement when such information is relevant to the instant acquisition FAR 15.305(a)(2)(iii).

Sole source awards made to ANC 8(a) firms cannot be protested per 13 CFR 124.517(a), thus significantly mitigating pre-award schedule risk for clients.

Sole Source award process provides an accelerated procurement timeline that mitigates the risk of procurement delays and increases flexibility for clients.
